Board of Fire Commissioners
Regular Meeting
May 19, 2021
Filed subject to approval

Attendance: D. Buchanan, R. Cable, J. D. Katz, Miranda, J. Yeotas
Also in attendance: S. Waugh, P. Neary, R. Klem

The Zoom meeting was called to order at 7:36 pm. Commissioner Buchanan moved to approve the minutes. Commissioner Katz seconded the motion. Minutes approved unanimously.

Chief Waugh reviewed the incident report. He also reviewed the status of old engine 4. He said the engine is still on the market and he may want to lower the price. He discussed the dry hydrant project. The Department will not be able to get the grant. However, there may be some reimbursement from the Cares Act and the Department may go to the town for a special appropriation. He may also use some of the COVID relief money for air packs and gear. The budget is in good shape. The Department's new hire has started his job and is working out well. He just has to pass the written section of the exam.

Commissioner Buchanan suggested to have the next Commission meeting in person at the firehouse. Chief Waugh said unvaccinated Commissioners would have to wear masks. Commissioner Buchanan discussed ordering a plaque for Lucy and for Mike. The carnival will take place this year. A new subdivision approval and easements for dry hydrant was discussed.

Marshal Neary discussed his report. He will try to put together a party for Lucy in September.

Commissioner Katz moved to adjourn the meeting at 8:00 pm. Commissioner Miranda seconded the motion. Motion passed unanimously.

Respectfully submitted,
Commissioner Roberta Cable, Secretary
