DISCUSSION AND POSSIBLE ACTION: REDUCE CARBON FOOTPRINT AND PROMOTE SUSTAINABILITY IN SCHOOL CAFETERIAS

The Committee reviewed analysis and operational details developed by the Administration and Chartwells related to topics identified by the Committee in its October 28, 2019 meeting. Topics included composting, recycling, reduction of disposable items and results of a May, 2019 survey conducted by SNACT (School Nutrition Association of Connecticut).

The Committee agreed to meet again in approximately one month to review additional data requested of the administration and Chartwells. In addition, the Committee will gather additional information related to recycling initiatives for further discussion.
