2. Two (2) residents asked how we as a legislative body can make a motion to have an open discussion at a Town meeting, maybe not the Annual meeting but a forum to discuss items not necessarily to vote or take action on. David mentioned there are multiple points of input such as Board of Selectmen meetings, public hearings and special meetings. Kristi suggested scheduling public forums. A resident thanked the volunteers who helped at the referendum on May 3<sup>rd</sup>. Residents requested extending to extend the 5G ban and shared their concerns about the health and safety of our community.

6. A resident thanked the Board of Selectmen for extending the 5G ban and proposed that the Town establish an ordinance surrounding this so when an application is submitted to Planning & Zoning we have clear, outlined rules. This resident will forward an example of a 5G ban ordinance. Another resident shared that dependent on where the 5G ban goes in the future, she would like to see it move to a referendum so the legislative body makes the decision.
7. Kristi Sogofsky reminded residents to identify themselves by name and address and to turn on their cameras when speaking. The Board of Selectmen thanked all those who came out to vote as well as the volunteers. We appreciate all who participated in the process.
