

EASTON CEMERY COMMITTEE
REGULAR MEETING
Wednesday, September 9, 2020
Easton Public Library Patio

Present: Nanette DeWester, Phil Doremus, Joan Kirk Frank Pagliaro

Absent: Gary Haines, Ray Longo, Wayne Lyon, Deirdra Preis

Meeting was called to order at 7:00 PM by Chairwoman, Nanette DeWester

1. Review and approve minutes from Regular Meeting in July 2020
Motion to approve as submitted. Motions passes. (Nanette/Phil)
2. Kiosk update
Lucas Farmer will have the kiosk finished by the end of September. A dedication is planned for October 17th. He needs to know what signage we want on the kiosk. We will put a small plaque on the kiosk thanking Gary for his work. We will also recognize Lucas for his work.
3. Plan for grant, supplies, maintenance etc
The \$2,000 grant application was approved. It is being sent to the state. The supplies will be stored in the slaughter house at Samuel Staples school grounds.
4. Update on Cemeteries
Lyon Cemetery grass is mowed. We do not want any publicity regarding Den Cemetery on Black Rock Road. It is hidden in the woods. Any vandalism that may occur would not be noticed for a long time. Phil suggested that the BHC security check the site periodically.
5. Cemetery Brochure discussion/Easton 175th tour in October
Ray has the updated brochure information. We need it by October to print them for the kiosk. On October 17th there will be a historical narration at Gilbertown Cemetery. Frank Pagliaro will be narrating. We are waiting for a better image to be placed on the front of the brochure.
6. Other business
Next month we plan on moving the meeting to the Easton Library conference room.

No other business. Motion to adjourn at 7:40 PM. (Phil/Frank)

Submitted by,

Joan Kirk
