Gary,

The 20 x 12 cast bronze plaque is now in Palatino. Dan at Colonial Brass does not have Old Goudy. The copy is 7/8 with a 3/4" border. This is very readable from 20 feet away.

verse as of 4/9/2014

This plot of land is the final resting site for an unknown number of Easton citizens. The names of those buried are lost to eternity but their existence will always be remembered. May they rest in peace.

The plaque is 20 x 12 with a 2" reveal. The pricing last year was \$840.00. The price will stay the same, \$840 according to Dan.

He will provide a proof once we commit.

Lisa
