

CONSERVATION COMMISSION

225 Center Road - Easton, Connecticut 06612

**MINUTES FOR THE TOWN OF EASTON CONSERVATION COMMISSION
EASTON TOWN HALL CONFERENCE ROOM A - PUBLIC HEARING
Tuesday November 28, 2017 7:30 p.m.**

PRESENT: Dori Wollen, Chair; Vivian Hardison, Elliot Leonard, Catherine Alfandre, Steven Montgomery, Steve Hume, Sarah Cwikla

ABSENT: Steve Corti

1. Meeting called to order at 7:32 p.m.

**PUBLIC HEARING FOR APPLICATION #17-531 – REPLACE SOUTH PARK AVE
BRIDGE OVER MILL RIVER**

The notice for the public hearing was read into the record by Secretary Kiersten Ring, all neighbors have been adequately notified of the public meeting. Ed Nagy, Town Engineer for Easton and Dennis Garceau the Engineer from Anchor Engineering were present. There were no members of the public present. Dennis Garceau presented the plan for permit application #17-531, **applicant is the Town of Easton, to replace the South Park Ave bridge over the Mill River.** Elliot Leonard made a motion to approve permit application #17-531 seconded by Catherine Alfandre, with standard stipulations as well as the addition of silt sacks for de-watering and daily inspections by a town representative with periodic updates at every milestone of construction. Steven Montgomery voted in place for Steve Corti who was absent. The public hearing ended at 8 p.m.
