

## Minutes

### Easton Energy Task Force

Regular Meeting, Wednesday, November 16, 2016

Town Hall Conference Room A, 7:30 p.m.

In attendance: Cathy Alfandre, Heidi Armster, Regina McNamara and Grace Smith, JBHS Liaison. Missing: Carroll Brooke, Katie Callahan

Cathy convened the meeting at 7:40.

Minutes from October were briefly discussed. Regina motioned to approve; Heidi seconded. Motion passed unanimously.

#### **SSES update/prep for Board of Selectmen meeting:**

John Dunster will attend the BoS meeting to add support. Actual performance of array is slightly above the projected numbers. John will present a graph showing actual performance to be 104% of projected numbers.

Discussed how the TF will present the case for using the parcel of land for further solar, timing, and explain our support for Phase II.

#### **Green Spotlight:**

Grace brought copies of her upcoming article on how climate change and environmental impacts are having an affect on potential college studies programs and how Barlow students are taking note.

The TF offered possible edits and discussed the message for further research in a follow-up article slated for December's paper.

Other Task Force Next Steps:

Cathy offered a motion to continue meetings for 2017 on the 3<sup>rd</sup> Wednesday of each month. Heidi seconded. Motion passed unanimously.

Regina motioned to adjourn; Heidi seconded.

Cathy adjourned the meeting at 8:45.

Respectfully submitted,  
Heidi Armster, Secretary
