Dear Friends,

I cannot believe that the summer is over and that my girls are back in school (much to their dismay). I have two very important presentations in September (*read below and on the back of this page for more details*). Both presentations will be educational and informative so please sign up (spaces are limited). Fuel Assistance and Open Enrollment for Medicare are both just around the corner and I am ready to answer questions, assist with your application, compare plan options, and get you enrolled!!!! As always, I am here to help in any way I can!

TUESDAY, SEPTEMBER 15TH from 4-6 pm at the ESC

The Commission for the Aging will be hosting a film and panel discussion on *Seniors Driving Safely*. This is for seniors who are still driving and their adult children who want to keep them safe on the road. Please call my office 203-268-1137 to sign up for this educational and informative event!

TUESDAY SEPTEMBER 22ND from 5-6:30 at the ESC

The Southwestern CT Agency on Aging (SWCAA) will be offering a “*New to Medicare*” presentation here at The Easton Senior on **Tuesday September 22nd from 5-6:30** The *Medicare* program is quite complex and complicated, and this presentation will hopefully answer any questions you may have. It might also demystify the mounds of information for those people just beginning to explore the world of *Medicare*. RSVPs are REQUIRED and the deadline is September 16th. Please call 203-268-1137 to sign up and bring your questions!!!
