*Filed subject to approval.***

Attendance: D. Buchanan, R. Cable, J. Miranda, J. Yoetsas
Also in attendance: R. Klem, P. Neary
Public in attendance: A. Doty

The meeting was called to order at 7:32pm. The Minutes of the April 19, 2023 Meeting, by motion of Commissioner Cable, seconded by Commissioner Yoetsas, were approved without dissent.

Chief Klem gave his report. There were 34 incidents in March, and we have significantly lower than normal incidents year to date. The 3 structure fires received adequate personnel response and operations proceeded well. The brush fire on the east side of the Easton Reservoir received responses from Trumbull, Monroe and Easton. Easton's Engine 2, FF Davies driving, maneuvered over rugged terrain to supply water from the reservoir, and the UTV proved itself providing personal and materiel transportation.

The Fire Marshal Neary gave his report. Fire reporting/investigations, permitting, and building inspections are well in hand.

The Commission entered executive session at 8:05pm and came out of executive session at 9:56pm. No motions were decided during the session.

There was no other business to discuss and the meeting was adjourned at 8:57pm subsequent to motion by Commissioner Cable, seconded by Commissioner Yoetsas, being approved without dissent.

Respectfully Submitted,
Commissioner David Buchanan, Chairman
