

SWIMMING POOL WATER ALARMS

PUBLIC ACT 99-140

An Act Concerning Alarms For Swimming Pools

- (a) As used in this section, "pool alarms" means a device which emits a sound of at least fifty decibels when a person or an object weighing fifteen pounds or more enters the water in a swimming pool.
- (b) No building permit shall be issued for the construction or substantial alteration of a swimming pool at a residence occupied by, or being built for, one or more families unless a pool alarm is installed with the swimming pool.

Effective October 1, 1999

Date: _____

Property Owner: _____

Property located at: _____

I, _____, the owner of the above described property have read and understand the above Public Act and agree to install the swimming pool water alarm and provide at time of final inspection the manufacturer's installation instructions.
