The total recommended budget to be presented at the Town Meeting on April 28th is \$41,993,878, which represents approximately a 2% tax increase. In addition to the publication of the proposed 2014/2015 budget, our board wanted to provide a summary letter describing this year's budget.

There are several major headwinds of the 2014/2015 proposed budget. They include:

- Insurance: The costs of the town's Worker's Compensation insurance has gone up by \$125,000. This is a result of the town's adverse safety experience in past years. The town has been working with our insurance carrier's risk management department to improve our safety record.
- Vehicle Fuel Costs: An over 7% increase in fuel costs for all the town's vehicles.
- An increase of \$88,278 in debt service over last year.
- Shift of population at Region 9 resulting in Easton's share increasing by \$285,108.
- Compensation for union and non-union contracts increasing.
- Assessor: A state mandated property re-evaluation is scheduled to start next year. The cost is \$67,000 each of the next two budget years

The original proposed budgets including Region 9 totaled \$42,624,834. Through the budget process that number was reduce by \$630,956 from the following areas:

- Significant savings as a result of bidding our healthcare coverage resulting in savings of \$280,000.
- Reductions of capital and operating budgets totaling over \$350,000.
- Reductions in proposed additional staffing including a police officer and contingent kindergarten teacher.

The proposed budget reflects an increase in funding for several initiatives including:

- Additional part time hours for the Parks and Recreation Department.
- New World Language Experience at SSES, Writing across the disciplines program at HKMS and additional funding for math materials.
- Technology: Update to the town's website and replace windows XP which is no longer supported software at Town Hall and the Police Department.

Other indications of the town's sound financial position are:

- We have improved our Undesignated Fund Balance helping protect the town from unforeseen costs and supporting the Town's AAA bond rating.
- The town pension plan funding has increased to 91% funded.
- We expect to receive over \$1.1MM from the State as payment of a portion of the grant money the State owes the Town from the New Staples school building project. The funds will be used to off-set debt issued for building.
- Road Improvements: \$282,500 has been allocated for road work throughout the town including completing the repaving of Morehouse Road. The fund will be reimbursed from the Local Capital Improvement fund (LOCIP).

We strongly encourage all registered voters to attend the town meeting on April 28th at SSES and vote on May 6th.

Respectfully,

Easton Board of Finance
