

May 21, 2020

Dear Easton Residents,

In light of the continually evolving COVID-19 crisis and expert guidance to limit public gatherings, we are canceling our Exchange Club of Easton's Memorial Day Race out of an abundance of caution.

As we proceed through an extension of social distancing at least until early June, please know that those of you that have been affected the most by this virus remain in our thoughts & prayers with the hope we can be together under more relaxed circumstances, in the not too distant future. In the meantime, stay home and stay safe.

Regards,

Vincent Caprio
President
The Exchange Club of Easton
