Dear Friends,

Will he or won't he???? I am referring to Puxatony Phil, the groundhog who may or may not have anything to do with this crazy weather we have had so far this winter! At least there has not been a lot of snow so people can get out of their houses which is important to not getting down over the winter months! Many of you have inquired about touring some of the area Assisted Living communities and they are happy to give us a tour and some lunch too so call me and I will put a list together! Read below for information on CENSUS 2020 which will be happening beginning in March! *Library to Go* is a service that the library offers delivery of books, audiotapes, DVDs to those who cannot get to the library, for whatever reason, so if you are interested call the library 203-261-0134 and ask for Penelope. Lastly, if you want a call or visit from me just let me know I am happy to come by for a visit.

Happy Valentine's Day!
