HOURS Monday through Friday 8:30 to 3:30

Dear Friends,

As if there wasn't enough going on with Covid-19 now we are dealing with the aftermath of Isaias! I hope that everyone is doing well and staying safe, and now that Town Hall has their power back I am back in my office. While there is no official word on when the Senior Center will fully reopen, as of 9/8/2020 some activities will resume. Call the ESC at 203-268-1145 for more information.

I am continuing to work on figuring out the best procedures for doing **Fuel Assistance** applications, and please contact me if you are interested in applying. For returning clients I will be sending out a letter by September with instructions on how to complete the application process as effectively, and safely as possible.

I have just completed my CHOICES training and **Medicare Open Enrollment** is happening, but it might not be the same format as in years past. Look for another communication from me in September about how **Medicare Open Enrollment** and **New to Medicare** appointments and/or presentations will be handled.

I will post information on the town's website **eastonct.gov** so visit the site under ***Municipal Agent for the Aging*** or ***Social Services***.

Don't forget about my collaboration with the Easton Public Library called ***Library to Go*** which delivers audiobooks, music CDs, books and magazines right to your home! Contact the library for more information 203-261-0134.

The Commission for the Aging will meet on September 8th, 2020 at 5pm in the Easton Public Library's community room.

And lastly, please continue to social distance, wear your masks in public and be safe.

We will get through this together!
