Update of Town Plan of Conservation and Development 2018 - Review of Comments Received From Special Community Information Workshop

The Easton Planning and Zoning Commission met with outside consultant, Glenn Chalder, of Planimetrics, to review comments received as a result of the Public Information Meeting held June 20, 2018 regarding the proposed update of the Easton Town Plan of Conservation and Development. The Commission reviewed a compilation grid prepared by Glenn Chalder which enumerated the comments received as a result of the public information meeting. After discussion some of the recommended changes which were minor in nature were made. Glenn Chalder will prepare a final draft update of the Town Plan of Conservation and Development 2018 to reflect the input given by the Commission. The Commission will meet on July 23, 2018, its next regularly scheduled meeting, to possibly schedule the public hearing for October 1, 2018.

At approximately 9:15pm, there being no other business to be conducted, motion was made by Justin Giorlando, seconded by Tom Maisano, to adjourn the Special Meeting. The vote was unanimous, 5-0, motion carried.
