DISCUSSION AND ACTION ON CAPITAL PROJECT INVOICES

1. Imperial Company, \$126,350.00, for work completed through the end of August. Mrs. Sullivan reported the project is near final completion. All materials are available and finishes will be completed, along with the project clean up, by October 20, 2015. Mr. Lewis commented that he was opposed to scheduling special meetings to approve invoices and would prefer to have this done at the regularly scheduled meetings. Mrs. Sullivan noted that this invoice was originally submitted in early September, but an error was noted, and this is the revised invoice. Another invoice for the work completed through the end of September will be presented at the regular October board meeting.
