S/P+A PROJECT NO. 17.230

DATE: February 7, 2019

The following changes to the Drawings and Project Specifications shall become a part of the Drawings and Project Specifications; superseding previously issued Drawings and Project Specifications to the extent modified by Addendum No. 5.

General Information/Clarifications:

- **RFI's:**

Question: Can you please clarify your response to the RFI question related to: "Confirm that the original scope of work for Alternate No. 1 is to now be included in the base bid and not as an alternate price". Many of the subs did not break out alternate # 1 in the bids to the contractors since addendum #2 specifically noted Alternate #1 is to be added to the Base Bid. Or, does this comment only encompasses the Temporary Book Storage Shelving?

Answer: In Addendum #2, delete the following from Add Alternate No. 1 in **Revised Specifications:**

- *Temporary Book Storage Shelving: Add to the Base Bid the labor, materials and equipment to incorporate into the scope of work 3,500 (three-thousand five-hundred) linear feet of mobile book storage shelving, as indicated in the Specifications and the Drawings. The Work includes the provision of all related components of the mobile book storage shelving. **Base Bid:** 1,500 (one-thousand five-hundred) linear feet of mobile book storage shelving.*

The original scope of work for Alternate No. 1 is NOT part of the Base Bid. Alternate No. 1 is as specified in the original Specification Section 012300 "Alternates" as it appears in the initial Bid Documents, and as indicated in the revised Drawings attached as part of Addendum #4.
