MEMORANDUM:

An IWWA Application is being submitted to the Town of Easton (to be heard on April 27, 2021) for an in-ground pool with related hardscape areas at the above referenced property.

We have been requested to provide you with notification of this application as per **Sec. 22a-42f.** **“Notice of application to water company re conduct of regulated activities within watershed of water company.** When an application is filed to conduct or cause to be conducted a regulated activity upon an inland wetland or watercourse, any portion of which is within the watershed of a water company as defined in section 25-32a, the applicant shall provide written notice of the application to the water company and the Commissioner of Public Health in a format prescribed by said commissioner, provided such water company or said commissioner has filed a map showing the boundaries of the watershed on the land records of the municipality in which the application is made and with the inland wetlands agency of such municipality. Such notice shall be made by certified mail, return receipt requested, and shall be mailed not later than seven days after the date of the application. The water company and the Commissioner of Public Health, through a representative, may appear and be heard at any hearing on the application.”

If you have any questions please call our office at 203.268.9194.

Respectfully,

Mark Ochman, PE LS
