Re: **Notice of Violation # 21-592, 570 Morehouse Road**
Owner of record: Harding, David.

Dear Mr. Harding:

It has come to our attention that you are conducting excavation and other activities on your property within 100 feet of wetlands and /or watercourses on the property immediately to your north. That property is 582 Morehouse Road, owned by John Stanczyk. (ADDITIONALLY, IT WAS NOTED THAT PROPER SEDIMENT AND EROSION CONTROLS WERE NOT IN PLACE. RUNOFF FROM THE WORK AREA COULD ADVERSELY AFFECT THE WETLANDS OR WATERCOURSES.)

Connecticut General Statutes Sections 22a-36 through 22a-45 require that a permit be obtained prior to conducting regulated activities affecting inland wetlands and watercourses. Such work has been conducted in violation of the law.

You are hereby directed to immediately cease work in wetlands and watercourses and appear at the next regularly-scheduled meeting of the Inland Wetlands Agency on August 24, 2021.

The issuance of this Notice of Violation shall not delay or bar an action pursuant to Section 22a-44(b) of the General Statutes, Section 14.4 of the Inland Wetlands and Watercourses Regulations of the Town of Easton, as well as Chapter 325 of the Code of the Town of Easton, a copy of which is attached.

If you have any questions, please contact our office at 203-268-6291 Monday through Friday between 8:30 a.m. and 12:30 p.m.

Sincerely,

Mark DeLieto
