Joel Barlow High School Auditorium  
100 Black Rock Turnpike Redding, CT

Dear Parents and Community Members,

Highly successful organizations and school districts have one thing in common: *they are future focused and strategic*. As we move forward, it is important to re-energize our ER9 vision and craft actionable priorities that improve student achievement and guide the allocation of resources.

A community stakeholder conversation will take place on Thursday, May 12 from 6:30pm to 8:30pm at Joel Barlow High School. This focus group is for all Easton/Redding parents and community members. Please RSVP using this form: <https://bit.ly/3jXAxE>

A quality school system benefits from stakeholder engagement, so we hope you can participate in this conversation to turn aspirations into results.

Sincerely,

Dr. Jason McKinnon  
Superintendent
