

Motor Vehicle Assessment Appeals

The Board of Assessment Appeals meets in September for Motor Vehicle Appeals **only**. Please call the Assessor's Office in August to have an application sent to you. When the meeting date is set it will be published in the Easton Courier or online at www.Eastonct.gov.

The Assessor's Office does not change the values on late model automobile assessments.* The basis of these assessments is clean retail price and the pricing procedure recommended by the Office of Policy and Management. These assessments, which are used throughout the state, are based on the National Automobile Dealers Association price guides.

*The Assessor's Office will apply high mileage reductions based on schedules in the N.A.D.A. price guides, please bring the vehicle to Town Hall so staff can visually inspect the vehicles odometer.

When filling out the application for the appeal, list the reason for the appeal (i.e. high mileage, inoperable, damage, etc.) "high taxes " or "over-assessed" are not acceptable reasons for appeal.

Please bring the vehicle with you to the meeting so the Board can visually inspect the vehicle. Also be sure to bring any other pertinent information to show the Board, such as salvage/rebuilt titles, repair estimates & invoices, pictures of damage, odometer disclosure statements, etc.

Note: If you are granted a reduction for a bill which you have already paid you will be given a refund. In the event that you appeal your assessment but do not pay your taxes or make insufficient payment within the original payment period for the tax, you shall be subject to all interest and penalties in the same manner as any tax due as provided by the General Statutes of the State of Connecticut.
