## Go Green Club

## Grades K-5 @ 4:30 PM

## Thursday, March 28th:

Help the "Students Rebuild" organization by creating ocean animal crafts out of recycled materials. For each creation submitted, the Bezos Family Foundation will donate \$2 towards projects that get youth involved with ocean conservation and towards helping coastal communities.

## Thursday, April 25th:

We will use our imaginations to create whatever we would like out of recycled materials like scrap paper, cardboard and plastic containers. The possibilities are endless!
