## *Minari* (Discussion to follow)

Thursday, May 11 @ 7pm

A tender and sweeping story about what roots us, *Minari* follows a Korean-American family that moves to an Arkansas farm in search of their own American Dream. The family home changes completely with the arrival of their sly, foul-mouthed, but incredibly loving grandmother. Amidst the instability and challenges of this new life in the rugged Ozarks, *Minari* shows the undeniable resilience of family and what really makes a home.
