

Town of Easton

2021 Revaluation Assessment Notices

Assessment Notices for the 2021 Grand List Revaluation have been mailed out. Please follow the instructions on the notice to schedule an appointment to review and/or appeal the new assessment with Municipal Valuation Services, LLC.

You may schedule an appointment at www.munival.com/appointments or by calling (203) 292-5500.

You may view your 2021 property assessment information at the following website

<https://www.propertyrecordcards.com/SearchMaster.aspx?towncode=ENR>

The Assessor's Office does not have the capability to provide any new assessment information beyond what's listed on the website above.

Please DO NOT use the current mill rate to try to estimate your new taxes as it is based on the 2020 Grand List period of 10/1/2020 to 9/30/2021. Until a total Grand List including new values of all taxable property classes is completed (real estate, motor vehicles, and personal property) AND a new Fiscal Year 2022/2023 budget is formally adopted in May 2022, the tax rate and property taxes cannot be determined.

You may review a Frequently Asked Questions about Revaluation pamphlet on the Assessor's page at www.eastonct.gov.
