A Covid update is as follows; Wearing masks is now optional, it is advised that if you are in small groups you should practice social distancing. While the staff and volunteers will probably continue to wear masks it is a good idea for any caregivers that come to the center to also wear them, and our unvaccinated visitors should continue to wear a mask at all times for everyone's safety. We are still requesting that all visitors to the center continue to sign in when they enter.

The Easton Senior center is planning to hold clinic's for flu shots and Covid boosters if necessary. Please take the time to sign up for Flu shots now. The first clinic will be held sometime in late September. We will also collect names for Booster shots as well, please check with your doctor to see if you are due for your next vaccination. We are working with CVS to organize our clinics and we will keep you posted.

PLEASE NOTE; The center will close at 1pm on Thursday June 30th until Tuesday July 5th. During this time we will cleaning carpets, polishing floors and cleaning furniture.
