RE: Zoning Permit Application of new construction
Erosion and Sediment Control Agreement

Applicant/Owner HIGHLAND PLACE LLC / MARSEL HURIBAL
Location: 427 Sport Hill RD

Dear Sir:

I hereby agree to adhere to the Easton Zoning Regulations regarding Soil and Erosion and sedimentation Control and the following Erosion and Sediment Control Plan:-

1. Land disturbance will be kept to a minimum; restabilization will be scheduled as soon as practicable.
2. Hay bale filters will be installed at all culvert outlets and along the toe of all critical cut and fill slopes.
3. Culvert discharge areas will be protected with rip-rap channels, energy dissipaters will be provided as necessary.
4. Catch basins will be protected with hay bale filters throughout the construction period and until all disturbed areas are thoroughly stabilized.
5. All Erosion and Sediment Control measures will be constructed in accordance with the standards and specifications of the Erosion and Sediment Control Handbook.
6. Erosion and Sediment Control measures will be installed prior to construction whenever possible.
7. All control measures will be maintained in effective condition throughout the construction period.
8. Additional control measures will be installed during the construction period if necessary or required.

RE: Zoning Permit Application MARTEL Horibal
Applicant/Owner: HIGHLAND PLACE LLC
Location: 422 Sport Hill RD

Dear Sir:

I hereby acknowledge the requirements of Article 9, Paragraph 9.2.4 of the Town of Easton Zoning Regulations relative to certified plot plans.

Upon completion of the foundation walls or other solid supporting sub-structure, and no later than the request that the Building Department schedule a back-fill inspection I will comply with the requirements of the above referenced regulations.

For the purposes of this section a Certified Plot Plan shall meet the requirements of a "Zoning Location Survey" as defined in Standards For Surveys and Maps In The State of Connecticut, published by the Connecticut Association of Land Surveyors.

I further understand that prior to the issuance of a Certificate of Zoning Compliance I must submit to the Zoning Enforcement Officer an "Improvement Location Survey". The requirements for that document are also defined in the above-referenced standards.

Very truly yours,

NOTICE

As part of the process for obtaining a driveway permit, certain building permits, a road opening permit, or certain other permits from the Town, the property owner and the general contractor are notified that the unloading and loading of construction machinery including, but not limited to track machinery, on Town roads so as to damage the road, curbing, or other Town property is prohibited. Please note that the homeowner and the contractor will be responsible for any and all damage to the road, curbing, or other Town property. Final approval of any work covered by a permit will not be made until any damage has either been repaired to the satisfaction of the Town or payment for such damage has been made. In the event that you believe there is pre-existing damage for which you as the property owner, or the general contractor should not be responsible, it is your responsibility to notify the Town prior to unloading and loading any construction equipment so that verification of the pre-existing damage may be made.

We have read and understand and accept the conditions of this Notice.
