Our May newsletter includes programs which help us concentrate on our health and welfare issues. With this in mind, even our movie choices trend towards innovative medical discoveries. Be sure to take advantage of these educational and necessary guidelines. We are also planning to raise funds so that we can continue our free exercise programs. So we will be collecting loose change, \$2.00 bills, coins, jewelry, gold & silver, you can even buy a lottery ticket for us, no amount too small.

Next time you visit make sure to notice the installation of our automatic doors for the women's and men's bathrooms. They have been completed! We now have at least 3 new computer replacements in our lab. Thanks once again!

We are looking for unused brand-new candles, these we can sell to raise funds! Please drop them off at the senior center for our new upcoming sale. We are still accepting new large print books, jigsaw puzzles, pocketbooks, pre-packaged snacks, decorations for the Fourth of July, yarn, framed pictures. Remember any unused gift you want to donate we will be able to sell in our upcoming sales.

Is anyone interested in teaching a jewelry-making class or anyone know how to make Korean Lanterns?
