There are not enough words to express my thanks and those of my family for all the wonderful cards, flowers, prayers, mass cards, special monetary donations, and tasty baking's which have arrived on our doorstep during the past few weeks. These have been an incredible tribute to the life of my husband, Derek, who is sadly missed by so many. Many donations have requested that we organize some brand-new classes for seniors. That I am busy doing at present. I will send each and everyone of you a special thank you card.
